Excellent

Good

Very good

Ability to adapt to various situations I have a great deal of experience in groups of people from different cultures.

I have been working as a Truffle farm manager for the biggest truffle farm in NZ, dealing with contractors and leading work teams. Also working in diverse groups associated with engineering and development projects. Nowadays working as a consultant for several clients.

Extensive experience in laboratory and sample testing for R&D. High technical skills in GIS software such as ArcGIS, gvSIG. High efficiency in Microsoft Office.

European driving license. Own car.
